2. Description of Service

Xelo is an AI-powered property video generation platform. Agents upload property photos and an address; Xelo generates cinematic video listings automatically, including Street View footage, Aerial View, neighbourhood intelligence, and AI-generated copy in multiple languages. The Service also includes access to the Xelo Market portal. All plans, including Trial, include Xelo Market listing access. Placement, rotation priority, and visibility within the portal vary by plan as described on the pricing page.

3. Account Registration

You must register an account to use the Service. You are responsible for maintaining the confidentiality of your credentials and for all activity that occurs under your account. You must provide accurate and complete information and keep it up to date.

4. Subscriptions and Payment

The Service is offered on a subscription basis. Prices are listed on our pricing page in Euros (€) and are exclusive of VAT where applicable.

- Subscriptions renew automatically at the end of each billing period unless cancelled.
- You may cancel at any time; cancellation takes effect at the end of the current billing period.
- We reserve the right to change pricing with 30 days' notice. Continued use after the notice period constitutes acceptance.

- Subscription payments are processed securely via Stripe. We do not store card details. Private seller one-off payments are processed by bank transfer via Wise.
- Beta Trial accounts are provided free of charge and may be discontinued at any time.

5. Acceptable Use

You agree not to:

- Use the Service for any unlawful purpose or in violation of any applicable regulations.
- Upload content you do not own or have the right to use, including property photos taken by third parties without authorisation.
- Attempt to reverse-engineer, scrape, or otherwise extract data or models from the Service.
- Misrepresent AI-generated content as original human-created material in contexts where disclosure is legally required.
- Use the Service to generate content for properties you are not authorised to market.

6. AI-Generated Content

Videos, descriptions, and other outputs generated by the Service are produced using AI models. You are responsible for reviewing all AI-generated content for accuracy before publication. **Xelo does not guarantee the accuracy of property descriptions, price per m², neighbourhood data, or any other AI-generated information.** All property details must be independently verified by the listing agent prior to publication.

The Service is designed with the EU AI Act in mind. Generated content may include a disclosure watermark where required by law. Specific compliance obligations vary by use case and jurisdiction; consult legal counsel for advice applicable to your context.

7. Intellectual Property

You retain ownership of the photos and content you upload ("Your Content"). By uploading Your Content you grant Xelo a non-exclusive, royalty-free licence to process it solely for the purpose of providing the Service to you.

Xelo retains all rights in the platform, its technology, and any improvements thereto. Output videos generated from Your Content are owned by you, subject to your continued subscription.

8. Data and Privacy

Our collection and use of personal data is described in our Privacy Policy (/privacy), which forms part of these Terms. By using the Service you consent to the processing described therein.

9. Third-Party Services

The Service integrates third-party data sources including Google Street View, Google Aerial View, and AI model providers. Availability of these features depends on third-party service availability and geographic coverage. Xelo is not liable for interruptions caused by third-party providers.

10. Limitation of Liability

To the maximum extent permitted by applicable law, Xelo's total liability to you for any claim arising under these Terms shall not exceed the total fees paid by you in the 12 months preceding the claim. Xelo is not liable for any indirect, incidental, special, or consequential damages.

The Service is provided "as is" without warranty of any kind. We do not warrant that the Service will be uninterrupted, error-free, or meet your specific requirements.

11. Termination

You may terminate your account at any time from your account settings. We reserve the right to suspend or terminate your access immediately if you breach these Terms or if we reasonably suspect fraudulent or harmful activity. Upon termination your data will be retained for 30 days before deletion, unless earlier deletion is requested. Billing records, including subscription and payment history, are retained for 7 years as required by applicable financial record-keeping obligations.

12. Changes to Terms

We may update these Terms from time to time. Material changes will be notified by email at least 14 days in advance. Continued use of the Service after the effective date constitutes acceptance of the updated Terms.

13. Governing Law and Disputes

These Terms are governed by the laws of the country in which Xelo is incorporated, together with applicable laws of the European Union where relevant. Any dispute shall first be attempted to be resolved through good-faith negotiation. If unresolved, disputes shall be subject to the exclusive jurisdiction of the competent courts in Xelo's country of incorporation.
